Art. 9

Each tournament consists of a minimum of 48 mixed pairs. In order to create a friendly competition, the following formula was established: 12 groups of 4 mixed pairs; 1 pair from each group is ranked. there are 12 teams left, which form 4 groups of 3 mixed pairs: the winner of each group qualifies for the semifinals (draw).

Art. 10

In the matches in the groups will be awarded:

- 2 points of the winning pair;
- 1 point of the pair lost or left during the match;
- 0 points per pair who gave up before the match or were disqualified. In the event of the final departure of a pair during group matches, all match results of that pair will be void.

Art. 11

After the end of the matches in one group in case of a tie between 2 pairs, the result of their direct meeting is taken into account.

Art. 12

After the meetings in one group with a draw between 3 or more teams, they will be ranked as follows:

- percentage of games won on the total played;
- in case of a new tie of 3 or more pairs - percentage of points earned;
- finally, in the event of a new tie of 3 or more pairs - by drawing lots.

After determining the pair with the best odds of the three teams, and a new tie in the remaining two teams, the result of their direct meeting will apply. In case of an equal result of two of the teams participating in the meetings, the result of their direct match is taken into account.

Art.13
